A Gas Connection

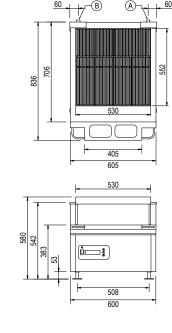

B Electrical Connection

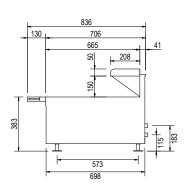

Product Information:

- · Patented award winning gas burner system
- Electronic Ignition with flame detection probe. No thermocouples
- Rapid heat up system ready to use in 30 minutes
- Up to 59% gas savings when compared with equivalent model grills (33 MJ/h Burners)
- Vortex air technology combined with a natural ceramic heat bed delivers exceptional heat distribution
- Robust 304 grade stainless steel construction
- SMART Digital controller with 10 power settings, one cooking zone with independent temperature regulation
- · Slow Cook shelf and Garnish Rail supplied standard
- Griddle plate, divider plate, resting shelf, rotisserie and stand sold separately
- · 24-months parts and labour warranty
