

# SGT-E40BUM

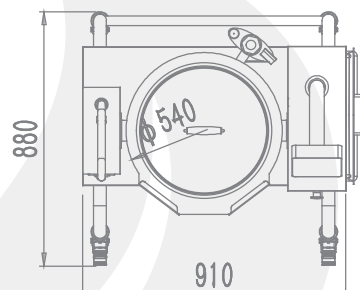

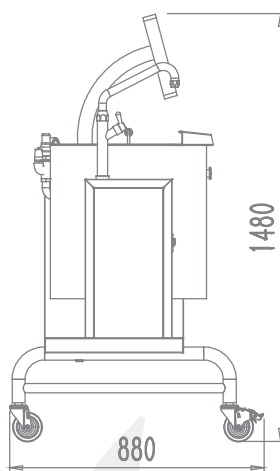

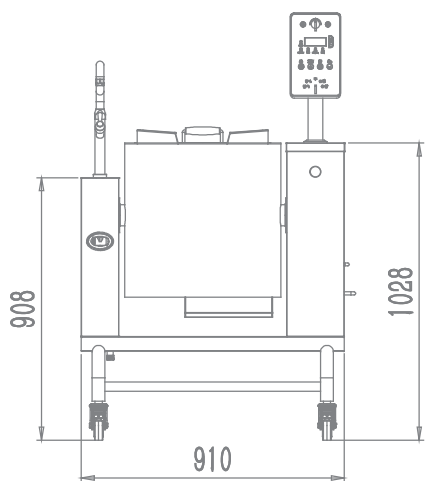

## Electric Tilting Boiling Pan (with Mixer)

- ◆ Automatic stirring function. Make your cooking process more efficient and easy.
- ◆ SUS304 stainless steels structure, SUS304 cookingwell.
- ◆ Equipped with over-pressure protection, over-temperature protection, lack Waterprotection function.
- ◆ Through the cooperation of all kinds of high-quality sensors and intelligent algorithms, the food is fully and evenly heated to avoid burnt.
- ◆ Best solution to boil, poach, steam, braise, simmer food.

### Technical Description

### Technical Data

| Model      | Dimensions          | Power | Voltage              |
|------------|---------------------|-------|----------------------|
| SGT-E40BUM | 910 × 880 × 1480 mm | 9kW   | 380V / 3P+N+E / 50Hz |
