- 6mm & 8mm mesh plates and a single knife

Description

Matador Heavy Duty Meat Mincer - TC32

The giant and formidable (TC32) can break up to an impressive (320kg/h) with a power of (1500W/10 W/A), voltage setting of 415 and dimensions measured at (710x330x585).

Part of our robust food bench and prep range, this heavy-duty bench mincer can easily crush, cut down and mince frozen meat quantities into smaller, shaped pieces. These pieces are then cooked or served, depending on the specific dish.

- 320 kg/hour Heavy Duty Meat Mincer with #32 head
- TC32 All stainless steel chamber, designed to the latest US and EC safety standards.
- Single-handle locking mechanism releases the chamber for easy cleaning.
- durable and heat-free operation
- reversing function
- 6mm & 8mm mesh plates and a single knife

*NOTES Mincer height is measured to the top of the plunger. Does not come with a sausage-filling attachment
