FM-PD50/250G Frymax Oil Filter Powder 50 × 250g Satchels

Quick Overview

Frymax Oil Filter Powder
50 × 250g Satchels

Crispy & golden brown on the outside. Tender & succulent on the inside. An aroma & look that people love. How can you get it every time?

Using Frymax Oil Filter Powder extends oil life significantly
With regular oil filtering & Frymax Oil Filter Powder products cook faster, oil lasts longer & taste is improved.

- Price of edible oil has risen substantially in recent years.
- By using Oil Filter Powder you can save you up to 66% on your oil costs.
- Filtering alone will only remove the solid lumps from the oil
- A sticky residue remains that is made up of polarised free fatty acids.
- Oil Filter Powder adsorbs the fatty acids changing them into solid particles which are easily removed by the filtering process.
- Oil Filter Powder can extend the life of your oil significantly
