FM-PD90/135G Frymax Oil Filter Powder 90 × 135g Satchels

Quick Overview

Frymax Oil Filter Powder

90 × 135g Satchels

Crispy & golden brown on the outside. Tender & succulent on the inside. An aroma & look that people love. How can you get it every time?

Using Frymax Oil Filter Powder extends oil life significantly

With regular oil filtering & Frymax Oil Filter Powder products cook faster, oil lasts longer & taste is improved.

• Price of edible oil has risen substantially in recent years.

• By using Oil Filter Powder you can save you up to 66% on your oil costs.

• Filtering alone will only remove the solid lumps from the oil

• A sticky residue remains that is made up of polarised free fatty acids.

• Oil Filter Powder adsorbs the fatty acids changing them into solid particles which are easily removed by the filtering process.

• Oil Filter Powder can extend the life of your oil significantly
