Description

Bonvue Chilled Food Display - SL850V

A prominent and practical display unit from Bonvue, the SL850V is a smart purchase for bakery and café owners wanting to gain that competitive edge and showcase their fresh food for everyone to see.

Bonvue provides a top-of-the-line collection of highly desired display units that have proved beneficial to many cafes and restaurants.

The SL850V offers an eye-catching display with interior lighting and a chilled interior for preservation. It ' s a perfect unit to present meals such as sandwiches, wraps, salads, pastries, yogurts, and cakes.

One of our bigger units within Bonvue ' s collection of powerful display cases, this workhorse is bound for medium to large cafes and bakeries that stock a variety of fresh foods, snacks, and sweets.

This deluxe display is very reliable and, like the others in this series, features the same qualities, including fans, compressors, triple-glazed glass with wire filaments, heavy-duty exterior, and temp controls.
