Description

Utility Trolley Only - JD-UC340

A great piece for moving stock, tools, dishes or equipment around a busy kitchen area, this nifty and handy utility trolley comes built and serviced right within our own warehouse here at FED.

This utility trolley is a brilliant addition to any restaurant or café kitchen, especially those larger kitchens where numerous items and tools can be grouped and moved all at once.

This handy unit is made with three shelves and baskets for storage space, castors for movement and made from polypropylene.

This handy trolley can make great strides for your business in reducing stress and build up from rush hour when messy equipment can be left to the side and take up valuable working space.

Made From High-Quality Polypropylene

- Swivel Castors
- 3-Shelf
- A bin and cutlery bin are available as additional options to operate with the trolley
- Handy baskets
- Total weight holding for whole set of this model is 100kg
