Description

Bonvue Heated Food Display - SG090FE-2XB

This smaller Bonvue heated display comes to us from Bonvue, one of the premium catering equipment brands within the catering equipment business. This display aims to provide an eye-catching space to present your culinary work, straight from the kitchen.

These heated displays are great for bakeries, takeaway shops, fast food joints, and cafes serving and presenting hot food and pastries such as chicken, meat-based ingredients, soups, vegetables, pastas, pizzas, pies, and sausage rolls.
