Description

Thermaster Two Glass Door Colourbond Upright Drink Fridge LG-730P

Highlight your bestselling beverages with our Thermaster Beverage Display! Made up of LED lighting for advertising—they're sure to display your products well and showcase them to your buyers, sleek, clean and fresh.

The LG-730GE is one of Federal Hospitality Equipment's premium fridge units designed to store and cool or freeze your stock and ingredients. This two-door behemoth fits snugly within large-scale work and storage spaces, including restaurant, café, and takeaway shop kitchens, supermarket backrooms, and service stations.

Coming in an eye-catching and fashionable design, this beverage display fridge is built with LED lighting, high cooling efficiency, low energy consumption, heavy-duty castors, two-layered tempered glass with an illuminated canopy and white powder-coated steel plates.

This visually striking and robust fridge is one to watch out for when you purchase your next fridge unit!
