- Productivity up to 100 settings per service
- compact design, easy to move and store
- IPX5 (IP55) waterproof, flat, touch-control panel
- Main switch ON/OFF on the back of the appliance
- Asynchronous industrial motor with no brushes for high reliability and quiet functioning, stainless steel motor shaft
- Food safety assured in accordance with European directives and UK legislation. In addition, materials in contact with food, are BPA-free
- Product safety conforms to European directives, UK legislation, and international health and safety standards

Description

DITO SAMA PREP4YOU Vegetable Slicer 9 Speed w/ Discs Included P4U-CV3

This is a remarkable vegetable slicer with slicing, grating, and shredding (julienne) as well as dicing and French fries cutting capability. It also has flexibility for high-quality cuts: 5-level variable speed (500-1200 rpm) can be adjusted according to the consistency of ingredients, and is equipped with a half moon hopper (1.25L capacity) and 2 small round feed chutes: Ø 25mm and Ø 55mm, for precise slicing of long shaped vegetables.

Uniform cuts are produced and the load capacity is maximized, thanks to the design patented lever-pusher! There ' s also a large output chute for efficient ejection!

Key Features
