AIR CHAIR

ABOUT THE AIR CHAIRS

The Air Chair by Siesta is no ordinary plastic chair. It's extraordinary strength is due to the entire chair being one-piece injection moulded polypropylene, the legs reinforced with glass fibre for even more stability. The plastic is packed with UV stabiliser, so this chair will not fade or go brittle even in the sunniest weather conditions. Siesta's Air Chair is built to last in busy commercial venues, indoor or outdoor.
