To ensure the longevity and maintain the appearance of your Siesta products, it's important to follow proper cleaning and care guidelines. Siesta products are crafted from UV-stabilised polypropylene reinforced with glass fibre, making it suitable for both indoor and outdoor use. However, appropriate maintenance is recommended to preserve its quality over time.

Cleaning Instructions

Regular Cleaning:

- Use a soft cloth or sponge dampened with water and a mild, non-abrasive detergent. If sanitation is needed, spray on an anti-bacterial spray and wipe or disinfectant.
- Gently wipe the chair's surface to remove dirt and grime.
- Allow the solution to sit for a few minutes if needed.
- For stubborn spots, use a flexible bristle brush to scrub gently.
- Rinse thoroughly with clean water to remove any residue.
- For best results, dry the chair immediately with a soft cloth to prevent water spots.

Important Tips:

- Avoid using abrasive cleaners, solvents, or products containing acetone or bleach, as they can damage the chair's surface.

Outdoor Use & Storage

Weather Resistance:

- Siesta products are designed to withstand various weather conditions and is UV-stabilised to prevent excessive fading.

Storage Recommendations:

- When not in use, especially during prolonged periods of non-use, store the chair in a dry, indoor location.
- If outdoor storage is necessary, protect the chair with waterproof covers during rainy seasons and winter months.
- Avoid prolonged exposure to direct sunlight, particularly for darker-coloured chairs, to minimize the risk of fading over time.

Maintenance Tips:

- Regularly dust or wipe the chair to prevent the accumulation of dirt and debris.
- Inspect the chair periodically for any signs of wear or damage.
- Replace the chair's feet if they show signs of significant wear to maintain stability and prevent floor damage.

By adhering to these cleaning and care instructions, you can ensure that your Siesta Products remain in excellent condition, providing comfort and style for years to come.
