- Electromechanical Control System
- Thickness adjustable from 0 to 4 mm

Description

DOUGH ROLLERS

Prismafood Pizza Dough Roller - DSA420RP

40cm Ø Pizza Base

- Stainless steel that makes the application of the Pasta sheet machine durable and reliable
- Modern design has a robust configuration and durable internal components, which allow a prolonged term of smooth operation.
- Foot pedal included
- Electromechanical Control System
- Thickness adjustable from 0 to 4 mm

Dimension: 540mmW×410D×680H, 38kg

Power: 230V, 50/60 Hz; 10A outlet required

Made In Italy.

Foot Pedal Included.

The rolling machine enables saving time in the working process and does not need specialised operators. It has been designed to quickly shape the dough for pizza, bread, cakes, little pies, etc. It works without warming the dough, keeping its characteristics unaltered. Both the thickness and diameter of the disc are adjustable (0 - 4mm). All the machines are guaranteed for 1 year against mechanical manufacturing faults.

2 Years Parts and Labour Warranty
