Durafurn® Sorbet Arm Chair (Vinyl)

To maintain the appearance, hygiene, and longevity of your Durafurn® Sorbet Arm Chair, please follow these recommended cleaning guidelines:

Vinyl Upholstery Care

Daily Cleaning:

- Wipe down with a soft cloth dampened with warm water and a mild liquid soap.
- Rinse the cloth and wipe again to remove any soap residue.
- Dry thoroughly with a clean, soft towel.

For Stubborn Stains:

- Use a mild, non-abrasive cleaner or a diluted solution of dish soap and water.
- Apply with a soft-bristle brush or non-abrasive sponge.
- Avoid using harsh solvents, bleach, or ammonia-based products as they may cause discoloration or damage.

Disinfection:

- A diluted isopropyl alcohol solution (max 70%) can be used for periodic disinfection.
- Always test on a small inconspicuous area first and wipe dry after use.

Frame & Legs Care

Cleaning:

- **Dusting:** Regularly dust the legs and frame with a soft, dry cloth to prevent the buildup of dirt and grime.
- **Wiping:** For more thorough cleaning, use a damp cloth with mild soap and water. Wipe gently and dry immediately with a clean cloth to prevent moisture damage.

Maintenance:

- **Avoid Moisture:** Do not expose the wooden frame to excessive moisture, which can cause warping or damage.

General Tips

- **Indoor Use Only:** This chair is designed for indoor use. Avoid placing it in outdoor environments to prevent damage from weather elements.
- **Weight Limit:** Adhere to the recommended safe working load of 150kg to maintain structural integrity.
- **Assembly:** Ensure the chair is assembled correctly according to the manufacturer's instructions to prevent instability or damage.

Durafurn® Sorbet Arm Chair (Fabric)

To keep your Durafurn® Sorbet Arm Chair looking great and performing well in high-use hospitality environments, follow these cleaning and maintenance recommendations:

Fabric Upholstery Care

Regular Cleaning:

- **Vacuum:** Use a vacuum cleaner with an upholstery attachment to remove dust and debris from the fabric surface regularly.
- **Spot Cleaning:** For minor spills or stains, gently blot the area with a clean, damp cloth. Avoid rubbing, as this can spread the stain. A professional fabric cleaning solution may be used.

Deep Cleaning:

- **Mild Detergent Solution:** Mix a small amount of mild detergent with warm water. Dampen a soft cloth with the solution and gently blot the stained area. Rinse by blotting with a cloth dampened with clean water. A professional fabric cleaning solution may be used.
- **Drying:** Allow the fabric to air dry completely before using the chair again. Ensure proper ventilation to expedite drying and prevent mold or mildew.

Precautions:

- **Avoid Harsh Chemicals:** Do not use bleach, solvents, or abrasive cleaners, as they can damage the fabric.
- **Sunlight Exposure:** Keep the chair out of direct sunlight to prevent fading and deterioration of the fabric.

Frame & Legs Care

Cleaning:

- **Dusting:** Regularly dust the legs and frame with a soft, dry cloth to prevent the buildup of dirt and grime.
- **Wiping:** For more thorough cleaning, use a damp cloth with mild soap and water. Wipe gently and dry immediately with a clean cloth to prevent moisture damage.

Maintenance:

- **Avoid Moisture:** Do not expose the wooden frame to excessive moisture, which can cause warping or damage.

General Tips

- **Indoor Use Only:** This chair is designed for indoor use. Avoid placing it in outdoor environments to prevent damage from weather elements.
- **Weight Limit:** Adhere to the recommended safe working load of 150kg to maintain structural integrity.
- **Assembly:** Ensure the chair is assembled correctly according to the manufacturer's instructions to prevent instability or damage.
