Description

Thermaster Two Door Drink Fridge/Cooler - SC248G

A compact and reliable drink cooler made from robust components, high-quality materials, and guaranteed to cool your stock to the right degree. The practical fridge is designed and built to operate efficiently in fast-paced environments such as bars, clubs, and restaurants.

This bar cooler comes to us from Temperature Thermaster, one of the largest distributors of coolers, fridges, and freezers, and a leading brand in the industry. Thermaster knows what goes into these units to attain the most optimal temperatures.

This solid bar cooler contains two levels of shelving, powerful compressors, interior lights, locks, tough industrial shelving, and double-glazed glass.

It ' s a cooler that grants easy access with practical interior functions and tough durability within an optimally cool environment.
