Description

FED-X Three Door Salad Prep Fridge - XGNS1300D

This Salad bar fridge prep is the ideal choice for small and medium-sized businesses that need performance and professional-grade commercial refrigeration. With three solid Stainless steel doors, it's compact, allowing you to make the most of your workspace and kitchen.

In addition, this unit features a Stainless steel hinged lid on top, which opens up to a storage area that holds 8 x 1/6th GN pans, providing easy access to your ingredients, garnishes, toppings, sauces, and condiments to streamline your food preparation.

With its compact size and generous compartments, it is ideal for restaurants, cafes, clubs, pubs, bars, and offices.

The heavy-duty magnetic door seals are designed to ensure optimal cooling and are constructed using durable and easy-to-clean stainless steel inside and out. The internal area features rounded corners, making it super easy to clean this compact unit. This unit is GN pan compatible and comes with a single shelf, but you can opt for additional slides so your GN pans just slide in and out.

This worktop bench fridge's build quality, specifications, and functionality meet food, health, and safety standards.
