- Comes with instruction manual & tools
- Supplied flat-packed for ease of transport

Description

Double Tier 400mm Deep Workbench Overshelf 750mm High WB02-1800-400

Key Features:

The Modular Systems Stainless Steel Over Shelf, crafted from 1.0mm thick 304-grade stainless steel, is a durable and versatile addition to any commercial kitchen. Its stainless steel legs and round fixing plate allow for easy attachment to stainless steel benches or bench refrigeration units. Compatible with Benchstar heating strips, this heavy-duty shelf enhances space efficiency and operational flexibility in high-demand environments, ensuring longevity and ease of maintenance.
