- Convenient Gas Connection: Includes a 3/4" NPT rear gas connection with Build Gas Regulator

Description

GasMax Semi-automatic 5 Burner LPG Kebab Machine KB-5LPG

Ideal for preparing gyros, shawarmas, tacos al pastor, and doner kebabs, this vertical broiler machine/doner kebab machine excels in delivering perfectly cooked meats. It ensures the meat remains succulent and tender on the inside while achieving a delicately crisp exterior. This machine is a must-have for achieving the authentic taste and texture essential to these beloved dishes.
