SUPERMARKET OPEN BEVERAGE DISPLAY

OC/OC-B RANGE

OC-915/OC-1220/OC-1830
OC-915B/OC-1220B/OC-1830B

KEY FEATURES

High-Visibility Merchandising

Open-front design with LED shelf lighting maximises product presentation and boosts impulse sales.

Energy-Saving Design

Smaller base footprint, night blind, and eco-friendly refrigerant reduce running costs.

Flexible Shelving System

Adjustable shelves with 0° / 7° / 14° tilt options for optimal product display.

Reliable Cooling Performance

Fan forced cooling with double air curtain maintains consistent temperatures for beverages.

DETAILS

The OC Range is purpose-built for supermarkets, convenience stores, and cafés that need high-visibility chilled beverage displays. Its open-front design, paired with bright LED lighting and adjustable shelving, makes it easy to merchandise products while maintaining consistent temperatures. Studies show that open displays can increase beverage sales by up to 15%, making this range a proven profit driver.

With a compact base to save floor space, energy-saving night blinds, and natural refrigerant, the OC Range is as efficient as it is effective. The fan forced cooling system with double air curtain ensures stable operation, while adjustable shelving angles allow operators to tailor presentation to maximise visibility and access.
