Description

All Stainless Steel Workbench with Splashback and Solid Undershelf - WBB7-0800/A

The Stainless Steel Workbench is 800mm Wide

Every kitchen has a workbench and the WBB7-0800/A stainless steel workbench is no exception. This bench is ideal for support, whether it ' s a place to lean on while making your delicious meals or moving your stock, equipment, or clutter for cleaning and maintenance.

This traditional bench comes with a splashback attachment to mitigate kitchen mess and keep your work area clean. It also has a solid undershelf to store extra stock like pots, pans, and other equipment.

This unit is designed for simple and quick assembly and comes with an easy-to-follow instruction manual and tools. Due to its immense size, the WBB7-0800/A is suited to larger establishments and restaurant kitchens.

· Splashback and underbench are attached to the unit.
