Yasaki Cordless Electric Kebab knife - CKS100

Quick Overview

Cordless Electric Kebab Knife

Comes with 2x Li-Ion Batteries and a charger.

Description

Yasaki Cordless Electric Kebab knife - CKS100

CKS100 is our main (cordless) electric kebab knife. This knife is highly practical and portable, and can be used in any area of a storefront. This model also comes packed with two Li-Ion batteries and a charger.

A necessary accessory, this electric kebab knife is the basic tool required for all kebab and takeaway food stores, cutting down portions of meat, such as beef and chicken, to variable lengths.

A useful item within our gas and electric range, this electric kebab knife can be easily operated, and is a much-needed option for a variety of hospitality businesses serdrawn-ups with drawn up meat.

100mm disc knife

Comes with 2x Li-Ion Batteries and a charger.
