Heavy Duty Chest Freezers With Glass Sliding Lid

WD-G SERIES

WD256G/WD336G/WD396G
WD456G/WD516G/WD586G

Panoramic Glass Door

Provides a clear view of contents combined with smooth-gliding doors for effortless access.

User-Friendly Convenience

Features digital control, an interior LED light, removable baskets and lockable tempered sliding glass door with LOW-E coating.

Eco-Friendly Operation

Utilizes environmentally friendly R290 refrigerant for a reduced carbon footprint and enhanced workplace safety.

Durable & Portable Design

Built with sturdy aluminium and equipped with easy-rolling casters for flexible movement.

DETAILS

The Thermaster WD-G Series heavy-duty chest freezer that delivers robust performance alongside modern convenience. Equipped with an energy-efficient compressor, it offers rapid, deep freezing and operates with remarkably quiet performance. Its practical sliding lid-constructed with strong LOW-E tempered glass-provides a clear view of contents without compromising internal temperature.

Additional features include intuitive digital controls, an interior LED light, removable storage baskets, and a manual defrost function. Built to last, the freezer boasts a durable cabinet made of aluminium and ABS, an aluminium interior liner, and easy-rolling casters for mobility. Environmentally conscious users will appreciate its use of a natural refrigerant.
