CLEAR WASH DISHWASHER CHEMICAL 5LT - DH-WS5L

Quick Overview

- **Preparation:** Rinse off excess food scraps from plates and cutlery before loading them into the dishwasher.
- **Usage:** Insert the tube from the dishwashing unit into the open bottle of Clear Wash. If dispensing adjustments are necessary, refer to the user instruction manual.
- **Optimal Performance:** Ensure the dishwasher's pH is at the manufacturer's recommendation. If the machine water is heavily soiled, drain and refill with clean water to maintain effective cleaning.

Description

CLEAR WASH DISHWASHER CHEMICAL 5LT - DH-WS5L

Clear Wash with Built-In Descaler

This concentrated alkaline solution is tailored for commercial dishwashing machines. It tackles stubborn stains, grease, dirt, and food residues with ease. The built-in descaler enhances machine performance, ensuring dishes, glasses, and cutlery are left sparkling clean and free of water spots.

Usage Instructions

- **Preparation:** Rinse off excess food scraps from plates and cutlery before loading them into the dishwasher.
- **Usage:** Insert the tube from the dishwashing unit into the open bottle of Clear Wash. If dispensing adjustments are necessary, refer to the user instruction manual.
- **Optimal Performance:** Ensure the dishwasher's pH is at the manufacturer ' s recommendation. If the machine water is heavily soiled, drain and refill with clean water to maintain effective cleaning.
