This smaller Bonvue heated display comes to us from Bonvue, one of the premium catering equipment brands within the catering equipment business. This display aims to provide an eye-catching space to present your culinary work, straight from the kitchen.

These heated displays are great for bakeries, takeaway shops, fast food joints and cafes serving and presenting hot food and pastries such as chicken, meat-based ingredients, soups, vegetables, pastas, pizzas, pies and sausage rolls.

Key Features:

- 9900 mm wide
- Heated Square Stainless Steel Food Display
- Black Trim & Shelving
- Fan-forced thermal air-flow & humidity
- Stainless Steel
- Easy to clean
- Lighting over each level
- Sliding rear doors
- Digital temp. control & read-out
- Illuminated front panel
- 2 levels of wired shelving plus floor

Additional Information:

- Temperature Range: 30 to 85 ° C
- Note: This is a hot food holding cabinet only, it is not designed to heat product.
