Key Features

This powerful deluxe display from catering equipment giant, Bonvue, is an ideal cake display fridge necessary for any bakery or cafe wanting to gain a competitive edge. This large unit aims to provide an impressive view for showcasing pastries, cakes, wraps, sandwiches, and light meals within a cooled environment.

The SL860v features a larger capacity and a formidable engine that makes it almost twice as powerfully efficient in comparison to the smaller models within this series.

This deluxe cake display has three adjustable shelves, powerful secop compressors for functionality, a stainless-steel frame for sturdiness, LED lighting to ease interior viewing, digital temperature control, and a triple-glazed front with heated filaments.
