Description

Thermaster Stainless steel 4-Drawers Compact Workbench Fridge - GNS900-4D

Temperature Thermaster, a leading supplier of commercial refrigeration, presents this top-end, heavy-duty workbench fridge.

This compact workbench fridge is made entirely of sturdy stainless steel, featuring a magnetic sealing strip to retain cold air, an Italian-made digital thermostat, a fan-assisted cooling system, and a high-quality compressor for optimal functionality.

The GNS series acts as a thoroughly resourceful piece for any hospitality business requiring kitchen storage.
