

OPERATING AND INSTRUCTION MANUAL

This user manual was originally written in English.
Please read the instructions carefully before using.

Upright Glass Door Merchandisers

Before installing your cooler, read these instructions carefully.

SAFETY PRECAUTIONS

- The purpose of the safety precautions in this manual is to ensue safe and correct use of the unit to minimize risks that could cause serious damage and injury to you or other persons. The safety precautions are divided into WARNINGS and CAUTIONS. Cases where improper handling of the unit could lead to death or serious injury are listed under the "⚠WARNING" heading. However, the cases listed under the "⚠CAUTION" heading could also lead to serious results. To ensure the safety, adhere strictly to both types of safety precautions.
- ⚠ WARNING Improper handling of the unit could lead to death or serious injury.
- ⚠ CAUTION Improper handling of the unit could lead to serious results depending on the circumstances.
- Text set off by the exclamation mark contains information that should be strictly adhered to.
- After reading the instruction manual, store it an easily accessible place where the user(s) of this product can easily find it.

Warning: Installation, mainten and service should be done by specialized personnel who be mandated by the manufacturer or the authorized representative.
