iNOVA

GENERATION

The new iNOVA range adapts to your needs, offering innovative washing technology through intuitive operation and efficient washing with the best consumption values.

In both gastronomy, hospitality, restaurants, and hospitals, whether with a lot or little space, iNOVA always guarantees brilliant results, regardless of whether it's glassware, dishes, cutlery, trays, etc.

Behind the iNOVA series lies a simple idea: a professional dishwasher with a configurable design, achieving a completely unique result.

The dream solution.

Maximum efficiency

Engineered to maximise return on investment.

Guaranteed disinfection

Perfect hygienic results.

Environmentally conscious

Low consumption of energy, water, detergent, and rinse aid.

Easy maintenance

Accessibility to components make servicing simple.
