# Packaging Material Restrictions

This guide reflects regulations current as of August 2025. Some states allow limited exemptions under specific conditions, and compostables in WA and SA must meet AS5810 or AS4736 standards.

This information is a general guide only, and may not be up to date. Businesses should confirm requirements with their relevant state authority or with their Account Manager.

This guide reflects regulations current as of August 2025. Some states allow limited exemptions under specific conditions, and compostables in WA and SA must meet AS5810 or AS4736 standards. This information is a general guide only, and may not be up to date. Businesses should confirm requirements with their relevant state authority or with their Account Manager.

This guide reflects regulations current as of August 2025. Some states allow limited exemptions under specific conditions, and compostables in WA and SA must meet AS5810 or AS4736 standards. This information is a general guide only, and may not be up to date. Businesses should confirm requirements with their relevant state authority or with their Account Manager.
