The gas cookers in the 700 Series may be fitted with open burners, ovens, fry-tops, hotplates, pasta cookers, barbecues, cooking pots, fryers, bain-marie and Bratt pans, combined in different ways to meet the needs of each customer. Made of austenitic stainless steel, the cookers in this range have tilted control panels to provide better access to the buttons and controls on the front of the machine, in addition to built-in handles and grease collection trays. The equipment in the 700 Series is formed by machines with the highest operating powers on the market, with excellent performance and recovery ratios.

Key Features
