The ADVANCED PLUS range delivers full-on functionality and the highest performance on the market. Achieving a perfect balance between cooking quality, simplicity, efficiency, and safety.

Key Features

This range comes equipped with all the new features exclusive to Fagor:

- HA Control: guarantees a constant, uniform temperature
- Eco Steaming: Steam is generated in a boiler that is independent of the cooking chamber to ensure perfect quality of cooking
- Fagor Touch: Choose the cooking method via a system of glass-sealed touchscreens, which offers easy cleaning and protection from dents and scratches
- Fagor Combi OS: a unique operating system with multiple cooking programs for even cooking simultaneously in different

trays

- EZ Sensor: the new temperature sensor that assures maximum accuracy in the cooking process
- Combi Clean: an automatic cooking chamber cleaning system with five wash programmes
- 4 cooking modes: steam, adjustable steam, regeneration, and convection (up to 300°C)
- Pre-heating option
- Auto-reverse fan rotation
- Easily serviced without the removal of any exterior panels
- Gas: NG or LPG
- Trays: 10 x 1/1 GN
- Dimension (WxDxH mm): 898x922x1117
- Regulator Size: 3/4 "
