Key Features

This is the latest update on the traditionally styled volumetric espresso machines that have been a workhorse of the Australian marketplace for many years. It comes with all the safety features Bezzera offers. Very reliable and easy to use, with volumetric group control, automatic further on the right-hand side, and a traditional steam arm on the left, along with a hot water outlet.

- Electronic Dosage 2 Group, Boiler 11L
- Body: AISI 304 commercial grade brushed stainless steel
- Frothing Ability: 3 Litres with 20 Second Recovery
- Temperature stability: Dual boiler probe system provides superior safety & greater thermal stability
- Cup Warmer: Large Cup warming station above unit
- Water/steam: Fully flexible stainless steel steam and water arms
- Boiler Refill: Automatic Boiler Refill, plus safety cut-out to prevent damage
