Versatile in use, the upright glass door beverage fridges are made to fit into any bar, takeaway shop, club, café, pub, or restaurant with its simple and compact design. Able to fit neatly within any interior space inside your bar or club, this display fridge is made to store your beverages and stock in a fast-paced environment. You can store these units near the counters in a club or bar, where staff can easily navigate stock after a customer orders a drink, or place them in a café or takeaway store front, where they can easily see what's available through the display glass.
