The giant and formidable (TC22-5) can break up to an impressive (280kg/h) with a power of (900/10 W/A) and dimensions set at (490x305x607). This piece also comes with four mesh plates and two knives. Part of our robust food bench and prep range, this heavy-duty bench mincer can easily crush, cut down, and mince frozen meat quantities into smaller, shaped pieces. These pieces are then cooked or served, depending on the specific dish. 280 kg/hour Heavy Duty Meat Mincer with #22 head - TC22-5 All stainless steel chamber, designed to the latest US and EC safety standards.

Key Features

- Single-handle locking mechanism releases the chamber for easy cleaning.
- Durable and heat-free operation
- The reverse function helps with easy cleaning. Once you've finished mincing, simply activate it to eject any trapped meat from the auger.
- 4 mesh plates & 2 cutting knives 6mm & 8mm 15 + 16 mm are used together
- Advanced three-blade cutting system for rapid production that produces less heat and doesn't damage the protein.

NOTE: Mincer height is measured to the top of the plunger.
