- 6 Months

Bonvue Heated Display Cabinet combines robust construction with advanced functionality for Australian food businesses. Featuring 4-sided double-layer tempered glass and an AISI304 base display area, it ensures durability and hygiene. The 360 ° panoramic display with warm yellow LED lighting enhances product visibility, while the digital temperature control maintains optimal heating. Ideal for bakeries and cafés, its sliding rear doors and mobility-ready design offer effortless access and positioning. Energy-efficient with uniform heat distribution, this cabinet meets Australian commercial standards for reliability and performance.

Key Features

- Double-layer tempered glass on all 4 sides
- 3 adjustable tempered glass shelves + AISI304 stainless steel base display area
- Warm yellow LED lighting on each level
- 360 ° unobstructed panoramic display
- Digital temperature control system
- Dual-pane tempered glass sliding rear doors for easy access
- Mobility-ready design with positioning stability
- AISI304 stainless steel interior & exterior construction
- Electric heating tube heating system (uniform heat distribution)
