QUICKLY CLEAN CAKED-ON GREASE AND BURNT-ON FOOD!

**THERE ARE 1 pc OF BLADE SHIPPED WITH THIS UNIT!
ONE HEX KEY WRENCH FOR ASSEMBLY!**

Easy to assemble:

- ① Use hex key wrench to lock the blade holder to the handle. We would need 3 hex socket cap screws;
- ② Place the blade and splash guard to the blade holder and align the holes of these 3 parts. Insert the bolt to the holes;
- ③ Place the washer and wing nut on the bolt. Fasten the wing nut

**LONG-LASTING, SHARP STAINLESS STEEL BLADE WON'T
PREMATURELY DULL DOWN; HOWEVER, WHEN IT DOES,
IT'S EASILY REPLACEABLE WITH A COMPATIBLE BLADE!**

STAINLESS STEEL SPLASHGUARD

A stainless steel splashguard minimizes messes when debris breaks free.
