Self-contained ice maker system Daily production up to 63kg

Crafted for perfectionists who demand both elegance and performance, the Crystal Column Pro redefines commercial and premium ice production. This sophisticated all-in-one unit is engineered to produce exceptionally clear, slow-melting octagonal cylinder ice—the gold standard for premium beverages.The octagonal cylinder offers a greater surface area than a standard cube, chilling drinks faster while melting slower. Its elegant, faceted design catches the light beautifully, making it the centerpiece of any high-end cocktail, whiskey on the rocks, or champagne bucket at an outdoor wedding.

Output:63kg/24h **Color:**Stainless steel

Features & Plus
