BLIZZARD ICE SYSTEMS

CRYSTAL SQUARE ICE MAKER

SIC-40L

The SIC-40L produces crystal-clear 50 x 50 x 50 mm square ice for premium drinks. Large, slow-melting cubes keep beverages colder for longer with less dilution, while 40 kg daily output and 20 kg integrated storage support busy service periods.

Why choose SIC-40L

Verified benefits for premium beverage service

Premium square ice

Crystal-clear 50 x 50 x 50 mm cubes create a distinctive presentation for premium drinks.

Less dilution

Large, slow-melting cubes keep drinks colder for longer with less dilution.

Ready for service

40 kg daily ice output supports busy operating periods and peak service.

R290 Refrigerant Eco Friendly

cutting your energy bills and meeting Australia's strictest environmental standards.

Fully automatic

Fully automatic operation includes a low-water alarm and automatic stop.

Splash resistance

IPX3-rated construction supports splash resistance in day-to-day operation.
