Designed for fast, consistent beverage preparation in cafés, bubble tea stores, juice bars, dessert shops, and quick-service venues. With a 650ml cup, 6 adjustable speeds, and a compact benchtop footprint, the TéVera series supports everyday drink production without taking up excess counter space.

Available in four modern pastel finishes – the range adds a soft, stylish touch to front-of-house beverage stations while still delivering reliable commercial performance. Ideal for milkshakes, frappes, smoothies, fruit drinks, bubble tea, and iced café beverages.

Four Colour Finishes

Choose from mint green, coral pink, lavender blue, or orange.

Compact Counter Design

Slim benchtop footprint suits cafés, kiosks, and beverage stations.

Adjustable Speed Control

Supports different drink textures, recipes, and blending requirements.

Commercial Build

Aluminium and stainless steel body supports reliable daily operation.

Double-Layer Blending

Food-grade AISI304 blade with a double-layer plum-blossom design.

3 Adjustable Speeds

Adjustable from 12,000–22,000 RPM for everything from smooth shakes to chunky smoothies.

Concealed Micro Switch

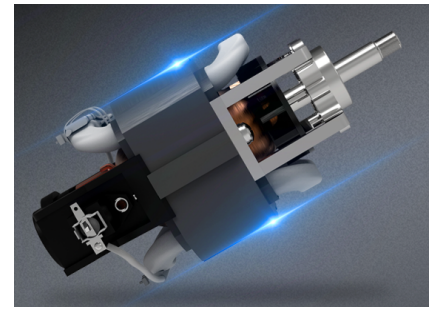

Starts automatically when the cup is placed on the base and stops when removed.

Non-Slip Suction Base

Anti-vibration suction feet keep the machine stable during high-speed blending.

Food-Grade PC Cup

Includes one 650 mL cup as standard. Heat-resistant, impact-resistant and easy to clean.
