Description

Thermaster Large Two Glass Door Colourbond Upright Drink Fridge LG-1200P

Highlight your bestselling beverages with our Thermaster Beverage Display! Made up of LED lighting for advertising—they're sure to display your products well and showcase them to your buyers sleek, clean, and fresh.

The LG-1200P large upright fridge from Temperature Thermaster is suitable for any hospitality establishment stocking large quantities of stock, particularly in restaurants and supermarkets.

This powerful display fridge comes with a prominent decorative white color, with a large 1200-litre space for storage that aims to keep your ingredients cool and refreshed. It features five levels of strong shelving, interior LED lighting, powerful embrace compressors, digital temperature control, fan-forced evaporator cooling, self-evaporating drainage, and double-glazed doors for extra toughness and optimal viewing.

This fridge has almost double the power of Thermaster's other fridges in this series, so if you're looking for a premium fridge for your business, this is the one for you.
