Australia's fastest compact commercial microwave oven - 2100watt output

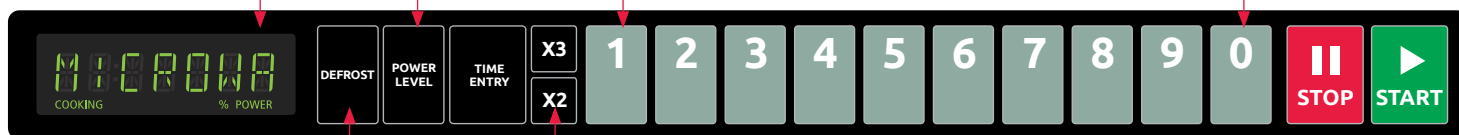

MWA2100 – Heavy Duty Commercial Microwave Oven

With 2100watt power output Anvil offers the perfect solution for food service outlets wanting to minimise heating times and maximise output. Heating times are reduced significantly compared to all other lower power commercial microwave ovens currently available.

The MWA2100 uses dual magnetron technology ensuring even heating and long term reliability. The MWA2100 sets the benchmark for commercial microwave ovens and is backed by Anvils Nationwide 2 Year Parts & Labour warranty.

Variable Power Output (10-100%)

Up to 100 Preset Programs

Defrost Programming

Double & Triple Quantity Programming

Features

- High Power 2100watt output
- Stackable (2 ovens)
- Dual Magnetron Technology, top & bottom feed for faster and more even heating
- Removeable Air Filter

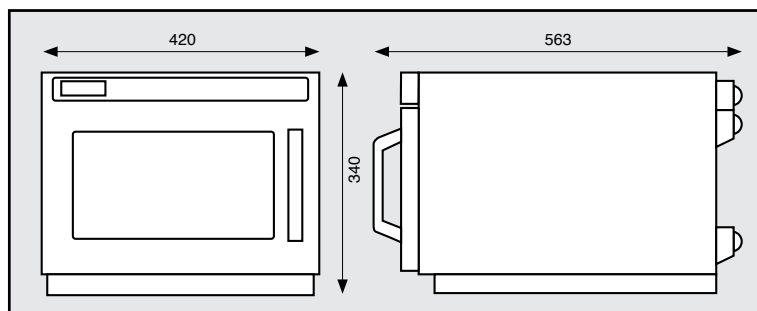

- Self Diagnostic programming
- Twin Motorised Stirrer Fans for even heating
- Efficient LED interior lighting
- Easy Clean Removeable Wave Guide Cover

Specifications
