Easy Chopper 2[™]

Chop and slice the BIG veggies with less effort!

Buy once. Buy the original.
Always look for this mark of quality

Cost Cutter at LARGE

Like all Nemco manual food prep equipment, the Easy Chopper 2™ takes labor and cost out of your food prep operations. It's fast, efficient, easy to use and easy to clean. Plus, it's safer than a knife—and built to last.

For the freshest menu items and the juiciest profits, put Nemco to work in your kitchen.

BIG-Time Performance

No more wasted time prepping. Minimal precutting of veggies into smaller portions.

BIG-Time Versatility

Introducing the industry's only chopping tool that also slices—and now available with wedging kits! Easily interchangeable blade assemblies allow you to perform a multitude of cutting operations with one machine. Chop, slice and wedge in a variety of cut sizes with flawless consistency for beautiful presentation and economical portion control.

BIG-Time Durability

With a tough, lightweight aluminum construction and high-tension stainless steel blades, the Easy Chopper 2 is designed and built to last in the active commercial kitchen for optimum ROI.

Chopping/wedging blade assemblies and pretensioned slicing blade assemblies.

Guide rods add safety and provide consistent application of pressure

Large 4 1/4"-square cutting area takes on large onions and other big veggies

Stainless steel blades stay super-sharp and taut to cut cleanly with one stroke

Easily interchangeable blade grids let you produce multiple cuts and sizes

Comfortable, weighted handle does most of the work

Sturdy base is well balanced on four legs with nonskid feet

Suggested Uses

Easy Chopper 2 is THE tool for salsa, pizza toppings, drink garnishes and more. It's ideal for fast, easy chopping, slicing, and dicing of onions, tomatoes, potatoes, celery, peppers and other firm veggies.
