

## Product Information:

- Quartz infrared lamps deliver optimal heat and lighting across all food prep and serving areas
- Overhead heat lamp assemblies designed for pass-through setups, featuring a fully extruded aluminum body and stainless steel safety cages for each quartz infra-red lamp
- Fabricator model includes 1.7m wire tails for custom integration with controllers by others
- 12-month onsite warranty**

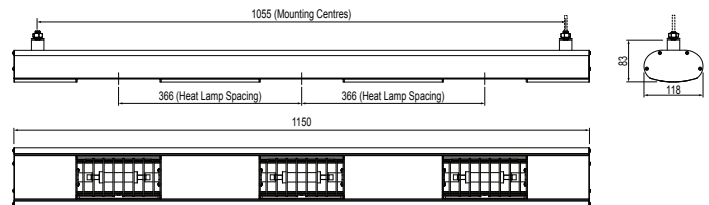

## Specifications:

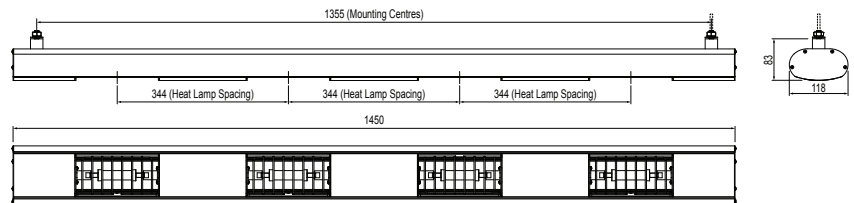

|                              |                                                 |
|------------------------------|-------------------------------------------------|
| <b>Model</b>                 | W.HLE0850.FB                                    |
| <b>W x D x H (mm)</b>        | 850 x 118 x 83                                  |
| <b>Total Connected Load</b>  | 0.6kW                                           |
| <b>Electrical Connection</b> | 1Ø + N + E 240VAC / 50Hz<br>(Onsite Connection) |

|                              |                                                 |
|------------------------------|-------------------------------------------------|
| <b>Model</b>                 | W.HLE1150.FB                                    |
| <b>W x D x H (mm)</b>        | 1150 x 118 x 83                                 |
| <b>Total Connected Load</b>  | 0.9kW                                           |
| <b>Electrical Connection</b> | 1Ø + N + E 240VAC / 50Hz<br>(Onsite Connection) |

|                              |                                                 |
|------------------------------|-------------------------------------------------|
| <b>Model</b>                 | W.HLE1450.FB                                    |
| <b>W x D x H (mm)</b>        | 1450 x 118 x 83                                 |
| <b>Total Connected Load</b>  | 1.2kW                                           |
| <b>Electrical Connection</b> | 1Ø + N + E 240VAC / 50Hz<br>(Onsite Connection) |

|                              |                                                 |
|------------------------------|-------------------------------------------------|
| <b>Model</b>                 | W.HLE1750.FB                                    |
| <b>W x D x H (mm)</b>        | 1750 x 118 x 83                                 |
| <b>Total Connected Load</b>  | 1.2kW                                           |
| <b>Electrical Connection</b> | 1Ø + N + E 240VAC / 50Hz<br>(Onsite Connection) |
