DISCO TABLE BASE

ABOUT THE DISCO TABLE BASE

The stylish cast iron Disco Table Base is a great choice when you want something that can bear a weight of up to 12 kilograms. With a dimension of 800mmx800mm, the Disco Table Base consists of a sturdy aluminium pole, black powder coat and stipple finish. If you're looking to enhance your ambience, this handsome table base offers a classy, luxurious look that can greatly improve the wow factor of your commercial venue.

The cast iron top plate has a width of 450mm which is just the right size for most commercial applications. The base diameter span of 590mm is perfect for providing a sturdy base and classic proportions to the whole setup. As if that's not enough, the table base's height is also adjustable to suit your preferences. The classic lines and ergonomic contours of this table base all add up to create a product that is appropriate for fine dining settings, yet sturdy enough for outdoor applications.
